Our facial treatments have been designed to combine **pure and active organic ingredients** with massage techniques, lymphatic drainage and acupressure massage to support the skin's ability to heal and regenerate itself. A **luxurious and essential experience** that will leave the skin, mind and energy restored.

ANTI-AGING / GLOW+FIRM

ANTI AGEING COLLAGEN FACIAL 70 - 90min

A favourite with bud clients, this pampering treatment brings radiance, firmness and elasticity back to your skin! Using luxurious, award winning formulations from The Organic Pharmacy, this treatment stimulates collagen production and nourishes your skin with the potent antiaging powers of organic Rose oil and marine collagen extracts.

OSKIA GLOW FACIAL 75min

Combining award winning anti-ageing formulations from OSKIA and glow-inducing massage techniques, this facial illuminates the skin, leaving it feeling rejuvenated, brighter, hydrated and toned. Featuring specialised facial and eye contour massage with luxurious warm oil, this treatment relaxes & contours the face and improves uptake of nutritional ingredients such as skin plumping Hyaluronic Acid, cell-regenerating Swiss Apple Stem Cells and skin-smoothing Milk Peptides.

SENSITIVE / SOOTHING

PREGNANCY FACIAL 60min

Pregnancy is a beautiful time, however, hormonal changes in the body can result in various skin conditions such as acne, dryness or extreme sensitivity. bud's Pregnancy Facial is specially developed to effectively manage your skin concerns experienced during pregnancy, with products safe for you and your baby.

ACNE PRONE / DETOX

LIVING NATURE DETOX FACIAL 60min

Ideal for acne prone, oily combination and congested skins. A deep cleansing treatment with New Zealand's famed Halloysite Clay and active Manuka Honey to create balance and healing for problem skin, minimise pores and reduce blackheads and congestions. The skin will feel refreshed, clear and balanced.

FACE LIFTING + FIRMING

The latest in **non-surgical and non-invasive face lifting** from LPG Systems (France). A long time secret weapon of celebrities, this is the perfect treatment to repair and prevent the signs of ageing in a safe gradual manner with no downtime.

Endermoflirt™ is a **100% natural treatment** to redensify the skin deep down and erase the signs of aging, offering immediate results, including a healthy glow and a natural, soothing lifting effect. Research shows the technology can **increase your cells' natural production of Hyaluronic Acid by up to 80%** and **Elastin production by up to 46%**. Each session's results add up to fill in wrinkles, redefine contours, and clarify the complexion.

ROSE DIAMOND LPG FIRMING FACIAL 80 - 90min

Our most luxurious facial to hydrate and rejuvenate the skin, as well as improve the skin's firmness. The Rose Diamond Facial surpasses every expectation and ensures visible results after every treatment. We've harnessed the extraordinary power of nature combining essence of Rose, extract of Diamonds, natural growth factors, lifting agents and ceramides, with the scientifically-proven LPG Endermoflirt technology to increase natural synthesis of the skin's hyaluronic acid by 80% and boost collagen production by up to 23%. The results? Firmer, plumped and glowing complexion after the treatment.

EYE TREATMENT

EYE WONDER TREATMENT 30min

Soothe, refresh, and revive the delicate eye area while reducing the appearance of fine lines, puffiness and dark circles. A super-relaxing treatment, the Eye Wonder combines lymphatic drainage and luxurious massage techniques to lift, drain and caress the eye area.

Eye Wonder Treatment can be added on to any facial treatment.

body

Suitable for women and men.

LPG Lipomassage is a 100% natural, non invasive treatment which has been designed to help eliminate stubborn fat, as well as cellulite, love handles, and post menopausal thickness around the waist. After six to eight sessions of Lipomassage, you will see visible results on your figure, losing fat where you wanted it gone. It is also useful for those who have lost weight and want to regain firm and elastic skin again.

Using specially designed rollers that gently move over the body, Lipomassage is a state of the art, scientifically proven (with a vast number of research studies behind it), non invasive way to restore elasticity, dramatically increasing blood flow by up to 400% and stimulating lymphatic drainage, improving oxygenation to your cells and helping to disperse any build up within the body.

Each session lasts approximately 30 min.
